ORDER NO.: TSB-GL-006

<u>NEW JERSEY, LLC, AS THE AFFILIATE OF</u>)	ORDER

<u>24-HOUR INTERNET GAMING OPERATIONS</u>)	

Caesars Interactive Entertainment New Jersey, LLC (CIENJ), a New Jersey casino licensee and Internet gaming permit holder as the affiliate of Bally's Park Place, Inc., was authorized by the Division of Gaming Enforcement (Division) on November 21, 2013, to commence a minimum five-day trial period of its Internet gaming system, subject to terms and conditions imposed by the Division's Technical Services Bureau and Regulatory Enforcement Bureau.

CIENJ, during its trial period, demonstrated to the satisfaction of the Division that its Internet gaming system, in a limited and controlled live Internet gaming environment, is suitable to allow for participation of the general public, subject to continued monitoring, testing and evaluation by the Division.

Based upon the above finding, I hereby **AUTHORIZE** CIENJ and its approved Internet gaming service providers to conduct continuous, 24-hour Internet gaming operations without restriction on the number of patrons who may play on its Internet

gaming system or the marketing and advertising of its Internet gaming operations, subject to continued monitoring, testing and evaluation by the Division. If such monitoring, testing and evaluation discloses any deficiency that may undermine the integrity of the Internet gaming system or otherwise render the system unsuitable for use in New Jersey, the Director may restrict, limit and, if warranted, discontinue the use of the Internet gaming system.
